

TVET for Sustainable Development

GT-001.03 National Action Plan on Greening TVET

TVET plays a key role in implementing the vision of sustainable development (SD) in economy and society. However, TVET can only meet this requirement if TVET for SD (Greening TVET) is strategically and structurally anchored in the respective national TVET system. Based on given framework structures participants will be introduced in how to design and disseminate a country-specific National Action Plan (NAP) on TVET for SD.

Learning outcomes

On completion of the training, participants

- know the importance of NAPs for the strategic implementation TVET for SD
- have developed goals, action areas and possible activities for NAPs from real examples
- know how relevant stakeholders can be informed and involved

Contents

- Strategic and systematic implementation of ESD / TVET for SD in National Action Plans (NAPs): requirements, structure, content and procedure
- Case study: TVET for SD in Germany's NAP
- Involving relevant stakeholders
- Dissemination formats
